Tool	Vyond	Screen #	3-5	Screen Title	Snack at home	
Visuals			On Screen Text			
			All images			
			Animation & Interactivity			
			Child enters first after school. Parent enters next and offers snack to child. Include dog going through scene. Multiple scenes required for animation elements.			
			Narration/Voiceover			
First, we want to talk about hunger. Have you ever felt hungry? Maybe it was after school and it was a while after lunch but too early for dinner and you needed a snack.

Course Title		Students Change Hunger – Elementary Students				Feedback
Tool	Vyond	Screen #	8	Screen Title	Family at dinner table	
Visuals			On Screen Text			
			All images			
			Animation & Interactivity			
			Family eating dinner. Show active eating and conversation.			
Narration/Voiceover						
If you're lucky, you only felt this way for a little while. Then you got your snack or had lunch or an early dinner. And you probably felt better.

Course Title		Students Change Hunger – Elementary Students				Feedback
Tool	Vyond	Screen #	11	Screen Title	Four-way activities	
Visuals			On Screen Text			
			All images			
			Animation & Interactivity			
			Show activities that students would find difficult to do when hungry. Have four activities slide in – tired, playing, doing homework, crying.			
Narration/Voiceover						
When you're hungry, you may not feel like yourself. Do you think you might be tired? Maybe you wouldn't feel like playing very much? It would probably be hard to do your schoolwork or homework. Maybe you would be upset and unhappy? Do we want people to feel that way? Absolutely not!
